World Book Day

Please do not send any food or drink into school with your child. We offer a healthy snack in school and we have several children with allergies so have to be extremely careful. If you are bringing a snack for your child to eat after school, then please give it to them once they have left the building.

Likewise, due to allergies and part of our policy for healthy eating, we ask that you do not send lollipops, sweets or cakes for birthday treats.

Any food or medication that needs to be sent into school must be left in the office and **not in children's bags** please.
