### Reminders

- ✚ We provide a variety of healthy snacks for children at nursery. To enable us to continue, please remember your £1 weekly donation towards this.
- ☀ Remember that the car park is for staff only and is not safe for children to walk across. The disabled spaces are clearly marked and needed by those with limited mobility, so please do not use these bays or any other part of the car park at drop off/pick up times.

We will be sending Learning Journeys at the end each term.

The e-mail address you send this from must correspond with the e-mail we contact you on at the end of each term with the Learning Journey.

### Message from the Governors

At the governing body meeting in June, the Governors issued the following statement:

"During our full Governing Body meeting we have approved works to improve the secret garden, further improve and upgrade the water stream and improve the wearability to the ground of the popular see-saw. We have also reviewed and updated school policies".

**We currently have a parent governor vacancy, if you are interested, please call at the office for details. Closing date: 6.10.17**

### Project working

Please find attached to the newsletter a summary of our new way of working in Nursery, where the children are involved in planning our 'projects'. If you have any questions, please chat to your key worker or Mrs Mortimer.

This work does not affect the way we work within our groups.

# September News

Welcome back to a new school year and welcome to our new families

## Reminders

- ✚ Please keep us updated if you change your mobile phone number. We need a current number to contact you in an emergency or if your child is unwell. We also need alternative emergency contact numbers just in case one number is unavailable.
- ✚ Any absence should be reported to nursery by 9.30am please. This is for our registers, but also to be able to cancel lunch for that day.

## Year Planner

Please find attached an outline of events planned for the year. Please note some events may be subject to change.

We have included dates of parent consultations over the year, so you are able to plan ahead.

## Accessibility Plan

We are reviewing our Nursery Accessibility Plan and a draft plan is available on our website for you to view. Please give any comments to the office.

## Attendance Policy ✓

The governors have approved an attendance policy which is available on the website. We are a Derbyshire County Council School and as such, regular attendance is expected, so we have an Absence Request Form, which must be completed for planned absences from nursery. These are available from the office.

There is a strong link between regular attendance, punctuality and children's best progress with higher well-being levels, as they are settled and in a good position to form friendships.

We appreciate our partnership and cooperation with you in all aspects of nursery life, including this matter, more fully laid out in the Home/School Agreement we sign with you when children start at nursery.

## Peep at nursery

Please take a minute to read and complete the attached note from Mrs Perry. She runs groups each term which offer help and advice with issues that often arise on your journey as a parent. She would like to know how she can best support you this term.

## Mobile Phones 🚫

Please remember that for safeguarding reasons, we do not allow the use of mobile phones or cameras in nursery. Should you have an urgent call, please use reception or remain outside.
