

September News

Welcome back to a new school year and welcome to our new families

Reminders

- ✿ Please keep us updated if you change your mobile phone number. We need a current number to contact you in an emergency or if your child is unwell. We also need alternative emergency contact numbers just in case one number is unavailable.
- ✿ Any absence should be reported to nursery by 9.30am please. This is for our registers, but also to be able to cancel lunch for that day.

From September our wraparound provision is from 7.30am. If you would like extra childcare please let Rachael know in the office. We also have dinners available everyday, but can only guarantee these lunches will be available till Christmas, when they will be reviewed.

Derbyshire County Council Meals are now £2.10
The price increase is with immediate effect.

Newsletters

We will be e-mailing Newsletters and putting them on our website in the future. Please ensure we have your up to date e-mail address.

Car Park

Remember that the car park is for staff only and is not safe for children to walk across. The disabled spaces are clearly marked and needed by those with limited mobility, so please do not use these bays or any other part of the car park at drop off/pick up times.

Snack Donations

The Governors have recently increased the preferred snack contribution amount for the first time in over 10 years. The new weekly prices are £1.50 for 15 hour children and £3 for 30 hour children. We operate an on-going snack table where healthy snacks, water and milk are available. The children are encouraged to be independent at selecting and replacing cups and plates. The children are encouraged to try a range of foods.

Macmillan Cake Sale Friday 28th September

We will be selling cakes before and after your child's nursery session for morning children and before your child's afternoon session. We would appreciate your cake donations (baked or faked) the day before to help support this great cause.

GDPR/New parental Permissions

Please sign and return the attached Parental Permission Sheet as soon as possible! The sheet has been recently reviewed to comply with the new General Data Protection Regulations laws.
